José Wilson Ferreira de Lima
Prefeito

PREFEITURA DE SÃO JOÃO

1. The first part of the document is a letter from the author to the editor, dated 10/10/1998. The letter discusses the author's interest in the topic and the need for a comprehensive review of the literature in this area.

2. The second part of the document is a list of references, including books, articles, and book chapters. The references are arranged in alphabetical order and provide a detailed list of the sources used in the review.

3. The third part of the document is a list of keywords and a list of subject headings. These terms are used to describe the content of the review and to facilitate its discovery in databases.

4. The fourth part of the document is a list of abbreviations and a list of symbols. These terms are used throughout the review to denote specific concepts and to ensure clarity in the text.

5. The fifth part of the document is a list of figures and a list of tables. These visual aids are used to present data and to illustrate key points in the review. The figures and tables are numbered and described in detail.

6. The sixth part of the document is a list of appendices and a list of footnotes. These sections provide additional information and details that are not included in the main text of the review.

7. The seventh part of the document is a list of references and a list of subject headings. These terms are used to describe the content of the review and to facilitate its discovery in databases.

8. The eighth part of the document is a list of abbreviations and a list of symbols. These terms are used throughout the review to denote specific concepts and to ensure clarity in the text.

9. The ninth part of the document is a list of figures and a list of tables. These visual aids are used to present data and to illustrate key points in the review. The figures and tables are numbered and described in detail.

10. The tenth part of the document is a list of appendices and a list of footnotes. These sections provide additional information and details that are not included in the main text of the review.

11. The eleventh part of the document is a list of references and a list of subject headings. These terms are used to describe the content of the review and to facilitate its discovery in databases.

12. The twelfth part of the document is a list of abbreviations and a list of symbols. These terms are used throughout the review to denote specific concepts and to ensure clarity in the text.

13. The thirteenth part of the document is a list of figures and a list of tables. These visual aids are used to present data and to illustrate key points in the review. The figures and tables are numbered and described in detail.

14. The fourteenth part of the document is a list of appendices and a list of footnotes. These sections provide additional information and details that are not included in the main text of the review.

15. The fifteenth part of the document is a list of references and a list of subject headings. These terms are used to describe the content of the review and to facilitate its discovery in databases.
